MINNESOTA MOTORCYCLE SAFETY CENTER (MMSC) COURSE DESCRIPTIONS

All instructors are Motorcycle Safety Foundation (MSF)-certified. Full riding gear is required to participate in all on-cycle training courses. That includes a DOT-approved helmet, eye protection, full-fingered gloves, jacket, long pants and over-the-ankle footwear.

Basic Rider Course \$180

Learn how to ride, and earn your motorcycle license endorsement in this 14.5-hour course featuring 10 hours of on cycle training and 4.5 hours of classroom training. Supportive and friendly instructors will teach you how to operate a motorcycle and the basic skills you need to safely ride on the street. Training motorcycles are provided for riders of all sizes. If you're an automatic scooter rider you can bring your own scooter with proof of insurance if it's 500cc or less, 400 pounds or less, in good working order and registered as a motorcycle.

State Skill Test Waiver

- Riders 18 or older can have the state skill test for their motorcycle endorsement waived upon successful completion of the Basic Rider Course (BRC). Possession of a Minnesota motorcycle instruction permit is required when taking the course to receive a motorcycle endorsement. Successful completion means attending the entire course and passing the skills test.
- Riders under 18 are required to take the BRC before obtaining a motorcycle permit.
- Riders who have failed a state and/or MMSC skill test twice are not eligible for the State Skill Test Waiver.

Intermediate Rider Course \$55

If you are comfortable on your own motorcycle or scooter, the 5-hour Intermediate Rider Course will build upon your existing skills and knowledge. Newer motorcyclists, returning riders and experienced motorcyclists can all benefit from this course. The Intermediate Rider Course covers control, finesse, counter steering, cornering, swerving and braking. Make the Intermediate Rider Course an annual tune up for your riding skills. Groups or clubs may purchase an entire Intermediate Rider Course for only \$300. Passengers may participate for free.

MN Advanced Rider Course \$75

If you want razor-sharp, hazard-avoidance riding skills, try the 8-hour MN Advanced Rider Course where you'll hone the skills you need to avoid the dangers of the road, such as other drivers, deer and debris.

Being able to complete a 28-foot U-turn on your motorcycle is a requirement to take this course. Groups or clubs may purchase an entire Advanced Rider Course for only \$500. This course is offered at the Brooklyn Park, Willmar, White Bear Lake, Roseau and Virginia training locations. Riders use their own motorcycles for this course, and motorcycles must be 400cc or larger. Passengers may participate for free.

MN Expert Rider Course \$75

If you've taken the Advanced Rider Course, your skills are sharper, you had a blast on your bike and you want more, you're ready to move up to the 8-hour MN Expert Rider Course where you'll master those crucial skills needed to escape the perils of the road. Groups or clubs may purchase an entire Expert Rider Course for only \$500. This course is offered at the Brooklyn Park, Willmar, White Bear Lake, Roseau and Virginia training locations.
